

BENTON COUNTY ELECTRIC SYSTEM

P. O. Box 429

CAMDEN, TN 38320

Pay As You Go Service Agreement

- As a Pay As You Go metering customer, a \$25.00 deposit is required. You will be required to pay a minimum of \$40.00 to activate a Pay As You Go account. This amount will be applied toward future energy usage.
 - For Existing Customers all deposits held will be applied toward your current bill and future usage. All charges, new deposit, and unbilled usage must be paid before an account can be converted from postpaid to Pay As You Go, unless you enter into debt recovery.
 - For New Customers a \$2.96 fee is required for an ID check.
 - There will be a \$0.20 per day charge associated with the cost of this program. The benefits include:
 - There will be no monthly bill
 - Account balance, daily usage, alert notification, charges and payments can be viewed on-line at www.myusage.com.
 - There will be no late or disconnect charges

You will not receive a monthly bill. Account balance, daily usage, alert notification settings, charges and payments can be viewed on-line at www.myusage.com. This information can also be accessed by calling 1-877-707-7014. You will have a choice of alert notifications and times to choose from. Alerts can be sent via email, phone call or text. You are ***solely responsible*** for managing and updating the alert notification settings on your Pay As You Go Account. All low-balance and disconnect notices will be sent in the manner you select for your account. Failure to properly maintain your alert notification settings may result in disconnection without further notice. You must maintain a pending disconnect alert. Courtesy calls and paper notices will no longer be sent.

Payments may be made in the office Monday – Thursday 7:00-4:30, Friday 8:00-4:30, over the phone or internet with a debit or credit card 24/7 or by mail. All payments made to your account will post in real time. However, if you decide to mail your payment, be sure to allow enough time for your payment to be received by our office to avoid disconnection. To pay by phone call 1-855-985-1133.

There are no late or disconnect charges. Customer charge, outside light fees and pay as you go fees will be prorated on a daily basis. There will be a reconciliation each month to true-up all charges. A full settlement of the account shall be made when participation in the service ends and the account is final billed. Any remaining credit balance will be refunded or any unpaid balance will be due.

Pay As You Go Accounts are not eligible for credit extensions, payment arrangements, or levelized billing. Any energy assistance will be applied to the Pay As You Go account once payment is received by our office. ***Pledges or promises will not be accepted to keep electricity on or change from traditional to Pay As You Go service.***

Electric service will be subject to automatic disconnection if at any time the account does not have a credit balance. If service is disconnected, any outstanding balance and the minimum credit balance of \$20.00 must be paid before service will be restored, plus a minimum debt recovery amount if applicable.

If debt recovery:

Example: \$20.00 minimum balance $(36.00/0.6 = 60.00 \times 40\% = 24.00 + 36.00 = \$60.00)$
 \$16.00 kWh used past \$0 balance
 \$36.00

Once you sign up for Pay As You Go, you must stay on it for six (6) months. If you change locations, your six months will start over at new location.

If an account is disconnected and does not re-activate within 7 days, the account will be considered closed and BCES will mail a final bill or refund to the last known address on file. If the account is re-opened, the account set-up and deposit charges will apply.

If returned payments such as a bad check, are received on the account, the amount of the returned payment and a \$40.00 returned check charge will be applied to the member's account immediately. If this causes the credit on the account to be exhausted, service will be disconnected the following day.

BCES is not responsible for customer's email, phone or texting fees.

If there is an amount owing from previous bills from anyone in household or unbilled usage at the time of converting to a Pay As You Go account, a percentage of future payments will be applied to that amount until paid in full. The percentage will be 40% on all debt recovery until paid in full.

If after six (6) months, a Pay As You Go customer wants to convert the Pay As You Go metering account back to a traditional account, all traditional policies and charges apply and any remaining balance must be paid in full. **All unpaid debt must be paid.**

Pay As You Go Account Information
